GET+READY

Help Your Community do the Same!

Here is a great opportunity to partner with the Twin Cities Red Cross and make an important contribution to your community. We want to turn everyone in our vibrant and diverse communities into lifesavers. You can help when you sponsor a Red Cross Get Ready Seminar.

You provide the sponsorship fee of \$500 and a location for the event and the Red Cross will provide all the training and materials necessary. There is no limit to the number of people who can attend and we'll award **GET READY Seminar Attendance Certificates** to all adult participants. Plus, **B. Safe Bear** will be on hand to teach kids about safety!

Invite your community...your family members, your friends, your neighbors and your customers to invest 4 hours of their time and receive tools and the training that will help them to be prepared for any kind of emergency.

We'll come to your site and present a Get Ready Seminar in Somali, Spanish, Hmong and English. We'll provide **4 hours** of training dealing with **Fire Safety, Chemical Safety and Home Safety**. We'll also teach everyone how to make a **Family Disaster Plan**.

Keeping your community safe is one of the most important things you can do. And sponsoring a Red Cross Get Ready Seminar is one of the best ways you can do this.
